[Zoe Griffin](#) / party princess

Who am I?

I am a writer, a DJ, a TV presenter and a party girl.

I come from a newspaper background and had a celebrity news column in The Sunday Mirror for two years. I've also worked at The Mail on Sunday, The Daily Telegraph and regional newspaper, London Lite.

I specialise in showbiz and I set up this blog because I am impatient. Most of the gossip happens at night and I got frustrated with going into an office to write up things that were a day and a half old by the time the paper hit the shops.

Join me by [emailing](#) suggestions about who you want to read more about, tell me who gets on your nerves and set challenges for me to carry out to make life more interesting.

Let's make mischief together.

Champagne victory at the lovely Juju champagne bar

04. September 2009

[Juju](#) - my favourite Champagne bar - was the perfect place to escape to after the bad energy at the PRPS party by one of my former colleagues.

The night in actress Leslie Ash's glamorous Chelsea bar was organised by the son of I'm a Celebrity...reality TV show star [Lord Charlie Brocket](#) and it was packed full of a young and beautiful West London crowd (very different to the other party).

[Sex and The City](#) actress Kim Cattrall is a regular when she isn't filming and Prince Harry's ex-girlfriend Chelsy Davy visits a lot because it's comfy and the cocktail menu is delicious.

The barman told me they are launching a new alcoholic fruit platter

It consists of Champagne and strawberries (good start). Followed by chunks of pineapple, mango , melon and grape drizzled in chocolate with shots of butterscotch schnapps and other alcoholic shots on the side.

Trying that is my excuse for a re-visit to Juju sometime soon...
